KONA DAYS

Have Kona Ice come treat your students and staff on holidays, end of the year events or even when they do well on their testing scores. The best part is that you can have us out for a fundraiser or just to treat your students and faculty. Either way, it's a win.

GIVEBACK

We give back millions of dollars each and every year. We can fundraise in any way you could possibly imagine. Just tell us where to park and who to make the check out to. We can serve up to 500 kids per hour. Have us out monthly or once a year. The choice is up to you!

COMMUNITIES

We are committed to giving back to our communities. It's not an afterthought, it is who we are. Each year we give back millions of dollars to local communities and organizations all over. How can we help you raise money?
